WORKSHOP on DIGITAL PEDAGOGY and TOOLS

Touch, marvel, learn – bringing Mixed Reality to the classroom

How can I prepare my students for their professional life in the best way? What opportunities do new digital media offer me to enable experience-based and active learning?

In this workshop you will learn about current trends in university teaching and get the opportunity to familiarize yourself with new digital media (such as Augmented or Virtual Reality). Together we will discuss and reflect on the possibilities and obstacles of integrating Mixed Reality based approaches in teaching. Special attention will be paid to the pedagogical and didactic integration of media to understand the Why, When and How of implementing Mixed Reality in your classrooms.

The workshop is led and offered by Lea Daling (RWTH Aachen University), James Tibbet (SeePilot).and Michael Hitch (TalTech University).

WORKSHOP on UNIVERSITY BUSINESS COOPERATION

HEInnovate

The workshop will provide the opportunity for participants to familiarise themselves with the HEInnovate online self-assessment tool (<https://heinnovate.eu>), a joint initiative between the European Commission and the OECD aimed at fostering the entrepreneurial and innovative nature of higher education institutions. The workshop will focus mainly on two dimensions of HEInnovate: Digital Transformation and Capabilities and Knowledge Exchange. Facilitated by international experts, the interactive workshop will engage participants in structured discussions, best practice exchange, the identification of joint interest areas and action planning

The workshop is led and offered by the experts of Technopolis Group in cooperation with EC DG EAC

Parallel to workshops: Pitching Training lead by Markus Klein
